The perfect leather bag isn't just an accessory — rather, it's an enduring statement. Here, we pinpoint a few artful examples that run the spectrum from structured to unexpected. Each is from a member of [The List](#), the destination for all things *Surface*-approved. Want to join? Contact our team to find out how to apply.

### 2. Insouciant bag, [Peryton](#)

The lines of this accessory are drawn to tell a story. Made of French calfskin, it carries considerable Western flair while its perfect symmetry conveys beauty and poise.
